The city is a great place to experience the beauty of the natural world and see the world's oldest desert. The city is a great place to experience the beauty of the natural world and see the world's oldest desert.

Best Bets

Martyr's Memorial (Mazam Eshahid)

This towering monument, shaped like three palm trees, is a powerful symbol of Algeria's fight for independence. Located in the heart of the city, it's a place to reflect on the country's history while enjoying panoramic views of Algiers and beyond.

Jardin d'Essai du Hamma

Escape the urban hustle at this lush botanical garden, a serene retreat in the heart of Algiers. Designed by French architect Gustave Gullon, the garden is a peaceful oasis with a variety of plants and flowers, offering a peaceful escape from the city.

National Museum of Prehistory and Ethnography

Immerse yourself in Algeria's rich history and culture at this fascinating museum. Its extensive collection ranges from prehistoric tools and artifacts to traditional Algerian clothing and crafts, offering a glimpse into the country's diverse past and present.

Neve Dame d'Alger

Perched on a cliff, this stunning basilica combines Byzantine and Moorish architectural styles. With its iconic minaret and breathtaking views of the Bay of Algiers, it's both a spiritual and visual highlight of any visit.

The Casbah of Algiers

A UNESCO World Heritage Site, the Casbah is the historic heart of Algiers. Wander through its narrow alleys, visit the Kasbah Museum, and soak in views of the Mediterranean from its terraces. This vibrant quarter is a window into centuries of history and the beating heart of Algerian culture.
